Sub: - Implementation of Government decision to link Aadhaar Identification for submission of life certificate for the purpose of disbursement of pension in addition to existing provisions.

Sir/Madam,

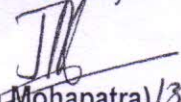

Kindly refer to this office letter of even number dated 21.11.2014 on the subject cited above under which instructions were issued for accepting the Life Certificate issued online by a Govt. Agency as a result of Aadhaar Biometric Authentication as a valid certificate, in respect of central Govt. Pensioners without insisting either on personal appearance of the pensioner or Life certificate issued by competent Authority.

A pensioner has approached to this office with a complaint that the pension disbursing office is insisting for Aadhaar card for disbursement of pension referring to this office letter cited supra. In this regard, it is reiterated that a Life certificate issued online by a Government Agency as a result of Aadhaar Biometric Authentication will also be accepted as a valid certificate and there is no such instructions that Aadhar card is compulsory for the pensioner to take pension from Post offices.

It is therefore, requested that all pension disbursing authorities may be instructed that no pensioner should suffer due to want of Aadhaar card as this is additional facility given to the pensioners to save them from personal appearance or submitting the Life certificate issued by competent authority.

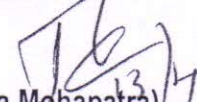

The matter may be brought to the notice of all pension disbursing authorities under your control. This may kindly be accorded due priority. Acknowledgement of receipt may please be sent to this office.

Yours Faithfully

  
(Julia Mohapatra) 13/4  
Director (Budget & Admn.)
